Dear Mr Goodall

SHARNBROOK NEIGHBOURHOOD PLAN EXAMINATION – SITE VISIT

Thank you for your letter of 27 May 2021, concerning my forthcoming site visit to the Sharnbrook Neighbourhood Plan area.

You have suggesting a number of routes in order that they might assist my understanding of the issues that have been raised in relation to the Neighbourhood Plan. Your points have been duly noted. However, you will appreciate that as the appointed examiner, I will be making my own independent determination of the most appropriate routes to take for the purposes of my site visit.

Your sincerely

Wendy Burden
