Speakers from Bedford Borough Council and Home Instead will be attending, and the annual presentation of the Skelton Cup will also take place. The lucky winner will be announced on the night!

This meeting is also for electors to bring items to the attention of the Council, receive the accounts and reports from Council on actions from the past 3 years, and hear about future plans for the village, including development.

Refreshments will be provided by the Good Neighbours Scheme Members and we look forward to seeing as many of you as possible.
