Bedford Borough Allocations Scheme Consultation

Dear Sir/Madam,

Bedford Borough Council is currently reviewing the Social Housing Allocations Scheme. This scheme is a vital document which sets out how applicants are assessed when they approach the council for housing. It also identifies the housing legislation the council has to adhere to.

It is good practice to review the scheme regularly and it was last updated in April 2021. Copies of the current and proposed schemes can be found here.

The council is seeking feedback on the intended changes to the scheme so that this can be considered fully before publishing a final version.

We would welcome your feedback and comments on the intended changes to the scheme.

You can submit your views on the link below.
