

HELP KEEP OUR VILLAGE SAFE

COMMUNITY CCTV INSTALLATION INITIATIVE

The Parish Council are considering installing CCTV cameras in Sharnbrook. We have funds available to move forward with the installation of cameras at the following locations:

- Junction of Home Close and the High Street,
- Lodge Road,
- The Stileman Way Play area, and
- Junction of the High Street and Church Lane

WE WANT TO HEAR FROM YOU

Would you support the installation of CCTV cameras in appropriate public areas within our village?

☐

YES – I support the proposal.

☐

NO – I do not support the proposal.

It would be really helpful if you could let the Parish Council know your thoughts on the proposed CCTV camera installation.

Your opinion matters – please choose from one of the options below to share your views with the Parish Council.

CCTV CAN HELP TO:

Deter crime and anti-social behaviour

Assist police with investigations

Help reduce vandalism and fly-tipping

Improve public safety and reassurance

Protect public spaces for everyone

CCTV operated by a parish council is classed as personal data, so access is restricted and tightly controlled under UK GDPR, the Data Protection Act 2018.

Prefer to Respond Online?

Scan the QR Code to complete our short online survey

Please email the Parish Clerk – clerk@sharnbrook-pc.gov.uk detailing whether you support or oppose the proposal. Please detail any concerns you have about CCTV cameras in the suggested locations and provide any additional comments or suggestions. Alternatively correspondence can be delivered to The Parish Office, 30 Church Lane, Sharnbrook, MK44 1HR

Please ensure your comments are submitted for consideration by the 6th of September 2026

PRIVACY: Any personal information you choose to provide will only be used in connection with this community consultation and handled in accordance with applicable data protection legislation.
